Reinvention Plan

Short Term

1. Add gutter extensions around foundation.
2. Raise sprinkler heads and add dirt around foundation.
2. Remove Boxwoods in front bed.
3. Front bed reshaping with Roundup.
4. Add flowers to front bed and a crape myrtle at the corner.
5. Add sod to back yard. Use grass clippings.
6. Use Dino Dirt in beds to improve soil
7. Create a landing at gate with pavers.

Long term

8. Replace boxwood in front with Nana Nandinas (fall or spring)
10. Extend patio.
11. Create a stone landing for hammock in upper back yard.
12. Use stock tank (with drain) to make raised beds for vegetable gardening.

1 Hour Consultation Fee: \$100
